

SUPPORT ASSOCIATION

**"WE COULD ACHIEVE A GREAT DEAL
IF WE STOOD TOGETHER"**

Friedrich Schiller

Our association is a community of open-minded, engaged members who all share a love of music. Our mission is to support the life of the music school in all its variety.

Our donors help both financially and practically; offering hands-on support for events, competitions and workshops. We are available to help with any kind of problem and are engaged in promoting sustainability in many areas of the music school.

With us you can really help in supporting young talent and promoting the musical life of our neighbourhood.

We are a registered charity. If you would like to get involved, either actively or through sponsorship, please contact us at:
