

INFORMATION SHEET
For work stipends in the field of comic 2025

In 2025, the Berlin Senate Department for Culture and Social Cohesion awards - subject to the availability of funds - work stipends for comic artists in Berlin.

Deadline for applications for 2025: 19 September 2024 at 2 pm (CET)

Target group

The stipends are intended to support professional comic artists or groups whose main place of residence is Berlin.

Purpose of funding

The work stipends are intended for artistic development. Funding is available for comic artists or groups who are striving for further artistic training and want to realize specific projects (e.g. work on a specific topic or format - short story collections or web comics are also possible, the development of new/different work techniques, continuation or completion of specific works, etc.).

The purpose of the work stipend is also to support innovative developments in the Berlin comic scene and to promote greater public appreciation of comics as an independent art form that exists on an equal footing with literature, film and visual arts.

The intended work and the work sample do not have to refer to Berlin in terms of content.

Eligibility and conditions

1. The applicants demonstrate their creative ability either through previously published comic projects or through work samples that demonstrate an artistic ability.
2. It is possible to reapply with a project that has already been submitted for a comic stipend in previous years.
3. Only one application per applicant is possible.
4. Applicants must live and work in Berlin. The stipend holders are obliged to maintain their primary residence in Berlin during the application and the duration of the stipend. The Senate Department for Culture and Social Cohesion must be informed immediately of any change of residence.
5. Applications from groups are only possible within the framework of a so-called GbR (company under civil law). The GbR may already exist or the group may form a GbR for the purpose of the application. More than 50% of the group members must be registered

with their first residence in Berlin (please note: for a group of two people, both applicants must provide proof of first residence in Berlin, for groups of three people at least two applicants, etc.).

6. The work stipend for comics of the state of Berlin cannot be combined with a work stipend for comic artists of the German Literature Fund (“Deutscher Literaturfonds”) in the same funding period.

Exclusion

Artists who are enrolled in an artistic training course at a higher education institution or who hold a professorship at the time of application are not eligible to apply. Further education and retraining programmes are no obstacle to eligibility.

Jury members and employees of the Senate Department for Culture and Social Cohesion, as well as their family members, are not allowed to apply.

Funding volume

The work stipends amount to € 2,000 EUR per month. The duration of the stipend depends on the scope of the work project. Work stipends can be awarded for **4 months (€ 8,000 €) and 8 months (€ 16,000)** subject to available funds (with approximately 150 applications). The requested amount of the stipend can be selected in the application form. Payment will be made monthly, probably starting in March 2025.

The jury decides on the number of projects to be funded and the amount of funding to be allocated to each application based on all the application documents submitted and makes appropriate proposals. This may include reductions in relation to the amount of funding requested.

All stipends of the state of Berlin (work, research and cultural exchange stipends) can be combined up to an amount of € 24.000 € per year.

Stipends already approved for the year 2025 must be mentioned in the application form.

The work stipend for comics of the state of Berlin cannot be combined with a work stipend for comic artists of the German Literature Fund (“Deutscher Literaturfonds”) in the same funding period.

The stipend holders will most likely be given the opportunity to present their artistic productions to the public.

Allocation of funding

An independent expert jury decides on the applications. The names of the jury members will be announced in due course.

We kindly ask you not to contact the jury members in advance of the procedure.

The criteria for the assessment are artistic and content quality as well as innovative aspects of the project.

All applicants will be notified of **the result of the jury meeting** by e-mail in December. The names of the funded artists will be announced to the public.
