

INFORMATION SHEET
For cultural exchange grants of the federal state of Berlin 2025/2026
Music/Composition - PARIS

The Berlin Senate Department for Culture awards - subject to the availability of funds - CULTURAL EXCHANGE GRANTS for musicians/composers at our partner institution [Cité Internationale des Arts](http://www.citedesartsparis.net/) in Paris:

1 grant for six months: April - September 2025

1 grant for six months: October 2025 - March 2026

Deadline for applications for 2025:
5 September 2024 at 2 pm (CET)

WHAT IS SUPPORTED?

The grants serve the artistic development of professional artists based in Berlin working in music / composition. The stay abroad should enable the artists to gain an understanding and knowledge of the cultural scene of the residency city, to study current developments of the local scene, to network, exchange ideas, gain inspiration and to realise an artistic project on site. The *Cité Internationale des Arts* provides a studio flat (<http://www.citedesartsparis.net/>).

WHO CAN APPLY?

The funding is provided for professionally working artists who live, work and are registered in Berlin (Erstwohnsitz). Applicants need to have already proven themselves through their artistic work. Artists who are enrolled at a university or hold a permanent professorship cannot apply. Former grantees can re-apply, if their last grant ended two years ago (September 2022 or before).

If you fulfill all requirements and would like to apply, please read this whole information sheet carefully!

Funding volume

The Senate Department for Culture provides the following:

A monthly grant of € 2.500 (for living, travel, material costs) for the period of six months plus use of a studio flat at the Cité Internationale des Arts. The annual studio and programme fee is directly paid by the Senate Department for Culture. During the artist's residency the staff at the Cité look after the Berlin artist and arrange contacts to the local scene on request. The local office of the Goethe Institut might also be able to assist. Events organised by the Cité (i.e. studio visits, artists' talks) offer opportunities for Berlin artists to present their work. Please note that the Cité is not liable for the luggage, any personal

belongings or art works off he residents. Therefore we highly recommend taking out appropriate foreign insurances (including health insurance).

Conditions

Support is provided to artists who have proven themselves through their artistic work and who provide proof of this with samples of their work. Applicants should be able to communicate in French. Presence on site is compulsory for the duration of the grant.

Please note that all grants of the federal state of Berlin (work, research and cultural exchange grants) can be combined up to an amount of 24.000 € per calendar year. If you already know, that you receive another grant in 2025, please state this in your application.

Allocation of funds

The jury process has two stages. The choices are based on the artistic quality of the work, the quality of cooperation with the partner and the expected resonance and sustainability. An independent expert jury appointed by the Senate Department for Culture decides on a pre-selection of applications to be funded. The composition of the jury will be published on our website. Representatives of the Cité make the final selection. Applicants receive notification of the pre-selection in December 2024 and of the final selection probably in January 2025. **The names of the funded artists will be published.**
